

# Adopt a Neighborhood Miles City Great American Cleanup

May 11, 2019, 9 to Noon

Keep Miles City Beautiful partners with Keep America Beautiful to do a yearly city-wide cleanup. WE WOULD LIKE YOUR HELP! We need volunteers to pick up trash from every neighborhood in our community and we invite you, your family, friends, and/or colleagues to participate.

Come join us at the Great American Cleanup on May 11<sup>th</sup>, at the Riverside Park. We will provide supplies including: gloves, trash bags, safety vests, trash grabbers, water and snacks.

Attached is a map of areas that are available for adoption. Please select the area you would like to clean and contact Sue Stanton to reserve your area. If you cannot attend the Great American Cleanup, you are welcome to clean your neighborhood at a time that is more convenient.

If you wish to participate in the GAC event at the park without adopting a neighborhood, we will have a list of alternative volunteer opportunities.

Thank you for helping Keep Miles City Beautiful!

**Sue Stanton Morlock** - Executive Director

Keep Miles City Beautiful, P.O. Box 722, Miles City, MT 50301
